PUBLIC HEARING FOR TRIVIUM ACADEMY ANNUAL REPORT AND FINANCIAL MANAGEMENT REPORT

Carrollton, TX, December 28, 2021– At the regularly scheduled meeting of the Board of Trustees on Tuesday, January 11 at 2:00 p.m. at the school, a public hearing will be held to present the Trivium Academy Annual Report and Financial Management Report as required by the Texas Education Agency. The Annual Report focuses on the academic and demographic information for the 2020-2021 school year at Trivium Academy, and the Financial Management Report details information from the 2019-2020 fiscal year.

“We are pleased to present our Financial Management Report to the community,” said Sheryl Bradley, superintendent. “I am proud of the work that our business staff continues to do for Trivium Academy to earn a Superior Charter FIRST rating scoring 100 out of 100 points. Due to the COVID-19 pandemic, schools were not rated on the state’s academic measures for the 2020-21 school year. However, while these are difficult times, we are pleased with our results that trend higher than the state average and do not show the same level of learning loss as the state average. These reports reflect the hard work of an entire team dedicated to ensuring a quality education for our students that focuses on our Three E’s—Engage, Examine, Express.”

These reports will be available on the Trivium Academy website under the Compliance tab within two weeks of this public hearing.

Trivium Academy is pleased to offer a classical education for the modern world. This open-enrollment charter school currently has students in grades kindergarten through 11th and will add a grade level each year until becoming a full K-12 school with the first graduating class in the spring of 2023.
